PROGRAM OVERVIEW

New Orleans attendees are invited to continue their learnings in this new educational program focused on, ‘Physician Leadership: Moving from Theory to Implementation’. Registrants from the three-day Physician Leadership program are encouraged to attend.

Lunch will be served Saturday followed by an active learning session led by Greeley faculty. Attendees will learn what is driving change in healthcare, and how to successfully use change management tools and have the crucial conversations that are needed to lead change in their organization.

Upon closing of the program at 4:30 PM, attendees are invited to join Greeley leadership and faculty for an interactive round table discussion on the most pressing challenges facing physician leaders today.
